I guess we just need some sort of basis for the 6 months extension Joe is asking us to add onto his deal.

He's your buddy but maybe go back to Joe with something like, "I just need to include some basis for the 6 month extension in his extension letter. Jazzmine doesn't have any record of an injury so do you want to check with his management or what should I include in his extension letter?"

I e-mailed Joe because I noticed that Nilsson last fought in March, 2014. He said 6-month extension. I asked Jazzmine if he was injured following the London event. She said no, she didn't have an injury for his March fight. I went back to Joe and asked if it was a training injury, and he replied below. How am I supposed to proceed? Don't reach out to Joe, talk to me first, please.

Don't know.  
 With e-mail getting wiped out every 3 months I have not record of it.

Was Nilsson injured? He last fought on March 8, 2014. He is on his 2<sup>nd</sup> fight of a 4-fight Agreement, which terminates on November 8, 2015.
